

# Lead Me In The Everlasting Way

1. O LORD, you search and know my eve - ry way; You know when I rise up and when I fall.  
2. If I as - cend to heav-en, You are there; Or make my bed in She-ol, You are there.  
3. You wrote down all the days or-dained for me Be - fore my life's foun-da-tion had been laid.

You un - der - stand my thought from far a - way; Be - fore I speak a word, You know it all.  
Where could I go be - yond Your Spir-it's care? Where could I flee? For You are eve - ry - where.  
I give You thanks who brought my life to be, So fear - ful - ly and won - der - ful - ly made.

You hem me in, be - hind me and be - fore; You lay Your hand up - on me lov - ing - ly.  
If I should rise up - on the wings of dawn, Or dwell in dis - tant reach - es of the sea,  
O LORD here are my thoughts for You to see; Now search me, try me, know my heart I pray.

I know my - self and yet You know me more; Such know - ledge is too won - der - ful for me.  
No mat - ter where I go, You still lead on; Your hand will al - ways be there hold - ing me.  
Seek out each dark and sin - ful way in me, And lead me in the ev - er - last - ing way.
