Philippians 4:13

E♭ - 4 - SOL↑

1. This life is filled with sor - row and trou - bles here be - low,
2. O Lord, we know you trav - eled the road to Jer - i - cho,
3. They say that man - y tri - als will come to vex the soul,

We oft are made to won - der just why it should be so;
And helped a lone - ly pil - grim, the Bi - ble tells us so;
That clouds will oft - en gath - er to dim for us the goal;

In ev - 'ry trib - u - la - tion this life must bring to view,
When earth - ly friends for - sake us and all the world seems blue,
In ev - 'ry sad con - di - tion to lead us safe - ly thru,

O Lord, we need a friend like you.

Chorus

Lord, we need a friend on this wea-ry road,
O Lord, we need a Sav-ior up-on this wea-ry road,

Need some one to guide, share our heav-y load;
We need some one to guide us and share our heav-y load;

Need some one to love, tell us what to do.
We need some one to love us and tell us what to do.

O Lord, we need a friend like you.
