1. I was not on the jour - ney up to Gol - go - tha's hill,  
2. I did not see the light - ning as it flashed on that sad day,  
3. I know my Sav - ior loves me, He gave His life so free,

Nor was I in the gar - den that night when time stood still;  
Nor help the wom - an, Ma - ry, place spic - es where He lay;  
Up - on the cross of Cal - v'ry He died for you and me;

I did not sell the Sav - ior un - to the an - gry crowd,  
I live my life much la - ter and in a dif - f'rent land,  
Let's live our lives for Je - sus, don't cru - ci - fy a - gain,

Nor hear the words as Si - mon de - nied the Lord a - loud.  
But as I sin, I drive a - gain a nail in - to His hand.  
Give praise and hon - or to the Lord, and hold His nail - scarred hand.
